Technology & Features Your Customers are Looking For

Wi-Fi Controlled

Connect to the home's Wi-Fi network and control STARFISH™ products remotely.

No Hub Required

Provides a hassle-free use experience for your customer.

App Controlled

Launch from anywhere, at anytime and have full access to the entire home.

Easy Installation

We made the process easy so you'll think you missed a step. But you didn't, we promise.

Voice Controlled

Make pairing with Alexa, Google Home, and Samsung easy.

Adjustable Brightness

Your customer can program their home lighting to move throughout the day, from the bright lights for reading to the darkness of movie night.

Limitless Colors

Using dynamic RGB color schemes, enable your customer to set the hue to capture any mood in any room.

The Starfish collection by Satco includes Dimmers and Switches, LED Tape, Light Bulbs, Lighting Accessories, and Recessed in a variety of finish and glass options that your customers are looking for. Count on the knowledgeable sales team at Swift Electric Supply for the all the information you need.
