EATON

Powering Business Worldwide

Pow-R-Xpress Program

*Light Commercial
Product Solutions*

*An unbeatable
combination...*

Swift Electrical Supply Company and Eaton have partnered to help you be more effective and efficient when doing small light commercial jobs. The Pow-R-Xpress program allows you to respond to quick turn-around installations and be partnered with Swift technical and application experts.

**Save time & money
while improving your
project productivity**

**Provide you with a
competitive advantage**

Eaton's Pow-R-Xpress program includes the following products through Swift Electric Supply Co:

- Panelboards, unassembled (interiors, mains, boxes and trims) for PRL1X and PRL2X panelboards
- Branch feeder breakers (bolt-on BAB/QBHW/GHQ/GHB) for PRL1X and PRL2X panelboards
- Dry-type distribution transformers
- Safety switches
- Three-phase loadcenters
- Enclosed controls
- And more...

Benefits:

- Respond to quick-turn opportunities
- Get fast access to Swift's inventory of products, so you have what's needed at the job site
- Respond quickly to spec changes, corrections, and last-minute requests to complete the job
- Take advantage of Swift's BEST-IN-CLASS tech sales support experts
- Additional product support available from satellite warehouses
