

## INSTANT REBATE PROGRAM

Swift Electrical Supply is a participating distributor with Utility Rebate Programs. Rebate Programs are open to end-user businesses with a non-residential qualifying electric account.

The programs provide instant savings to New Jersey and New York business owners on many LED energy efficient products including lamps, outdoor fixtures, high/low bay fixtures, and more through Swift Electrical Supply, your qualified distributor partner.

If you are replacing or upgrading outdoor and/or indoor lighting, these programs facilitate an opportunity for us to provide many fixtures for as low as \$1.00! To get started, we will need the installation site address or account number to verify eligibility. We handle the paperwork, and the savings are instant to you.

Contact Jim Carlo at [jcarlo@swiftelectrical.com](mailto:jcarlo@swiftelectrical.com) or Nicole Sorce at [nicole@swiftelectrical.com](mailto:nicole@swiftelectrical.com) to learn about how you can order LED lighting products for as low as \$1.
