

SWIFT **NEW** PRODUCT **SPOTLIGHT**

E-SERIES FLIN / 4" & 6" CANLESS LED DOWNLIGHTS

NORA[®] LIGHTING

Round or Square Aperture / Selectable CCT

- FLIN Wafer can-less downlights require no recessed housing
- Simple and easy installation – ideal for new construction and remodel jobs
- Each fixture includes a dedicated junction box to accept 120V or 120-277V input
- IC Air-tight rated downlights deliver up to 1300 lumens
- Tunable White LED technology that allows the end user to select color temperature (CCT) from 2700K/3000K/3500K/4000K/5000K
- Available in two sizes (4" & 6") and round or square
- Triac or ELV dimming
- Approved for wet locations

Nora Lighting's new distribution center in Edison, NJ, cuts lead times and delivery to next day for select items. Pick up items the same day from Swift Electrical Supply's extensive inventory. Our network of four facilities can fulfill any order.
